Dear Joyce,

We would like to take this opportunity to thank you for the years of service you have given to the community, both as a shop and a social worker. The shop has been a meeting place for many of the villagers, who otherwise would lead a very lonely life. You have been their lifeline, and we are sure they appreciate the kindness you have afforded them.

We wish you a happy (though we are sure not a complete) retirement.

Yours sincerely,

Maureen
